Attention, if you have a severe nut allergy, we unfortunately cannot take the risk, to prepare 100% nut-free dishes for you.

We often and like to use different types of nuts in our kitchen. The risk of traces / cross-contamination and thus the responsibility for your health is too great for us here.

The situation is similar with (severe) celiac disease. Please speak to our service about this and don't be afraid to bring your favorite gluten-free bread, just in case!

Despite great care, we can also find traces/cross-contamination here never exclude 100%.
